Courage Creates Opportunity 14 Stories of Hope!

Through Holistic Haitian Alliance's work in Haiti, we have seen first hand how courage creates opportunity. The orphaned and abandoned children cared for at our Kay Anj D'Ayiti Village in Dekle, Haiti, are the bravest people we know. They have overcome unimaginable challenges through no fault of their own. When the circumstances our kids were born into did not provide them a future, Holistic Haitian Alliance did, and we have their life stories as proof.

**Courage Creates
Opportunity
and You Can Too!**

“ Sponsorship gets your name out there while being associated with a first-class organization. HHA truly changes the lives of kids and it is a privilege to sponsor such an event. ”
